I certify that the foregoing is a correct list of the passengers taken on board the vessel at the port of Flores for the United States, and that I have caused the surgeon of the vessel to examine them previous to their embarkation, and that I have satisfied myself that they are not lunatics, idiots, paupers, persons suffering from a loathsome or dangerous contagious disease, persons who have been convicted of a felony or other infamous crime or misdemeanor involving moral turpitude, polygamists, persons whose passage is paid by any corporation, association, society, municipality, or government, persons who have come in consideration of any offer, solicitation, promise, or agreement, express or implied, to perform labor in the United States, and that I have caused the surgeon to furnish to the Commissioner of Immigration at the port of arrival a list containing the name of every such person, and stating whether any of them have been rejected by the surgeon, and the reasons for such rejection.
